TNSC Mobile Banking App is a user friendly mobile application that enables easy operation of bank account using Android Mobile. The app can be downloaded from Google Play Store and installed in any Android Mobile having android version 4.2 or above.

The User ID and Password used in TNSC Netbanking application can be used to login to TNSC Mobile Banking app. In addition to user id and password additional authentication through One Time Password is also done automatically by the app to verify the customer. In case the app is being used in a Mobile Phone with mobile number other than the registered number or a Tablet then the OTP will be sent only to the registered number. OTP has to be entered manually in this case.

As it is an extension of Netbanking application, Mobile banking is being enabled for all customers having Netbanking facility.
